

Recreation Opportunities Analysis

JUNE 2018

CONTENTS

I.	Executive Summary	1
	Northwoods Region	2
	Upper Lake Michigan Coastal Region	3
	Great Northwest Region.....	4
	Lake Winnebago Waters Region.....	5
	Mississippi River Corridor Region	6
	Western Sands Region	7
	Lower Lake Michigan Coastal Region.....	8
	Southern Gateways Region	9
II.	INTRODUCTION	10
	Description and purpose of the Recreation Opportunities Analysis.....	10
	Regions of the Recreation Opportunities Analysis	11
	Statewide Stakeholder Team.....	11
	Activities included in the Recreation Opportunities Analysis.....	13
	Recreation participation and frequency by Wisconsin residents	14
	Compatibility within and between recreation activities	15
	Gathering information on existing recreation opportunities.....	15
	Gathering public input	15
	Existing recreation planning efforts and how they relate to the ROA.....	16
	Statewide Comprehensive Outdoor Recreation Plan (SCORP)	16
	DNR property planning	17
	National scenic trail planning	19
	Federal lands planning	19
	County and Local recreation planning	19
	Activity specific planning	19
	Identifying opportunities on department-managed properties to meet demands.....	20
	Grouping opportunities for potential future recreation	21
1.	Northwoods Region.....	1—2
	Background	1—2
	Existing recreation supply in the Northwoods Region.....	1—3
	Public lands for outdoor recreation.....	1—3
	Private lands open to the public for outdoor recreation	1—4
	Existing public recreation infrastructure.....	1—4

Public input on recreation needs in the Northwoods Region	1—5
Input gathered as part of the ROA	1—5
Input gathered as part of the Wisconsin SCORP	1—10
Future recreation needs in the Northwoods Region	1—11
Opportunities to meet future recreation needs in the Northwoods Region on department-managed lands	1—12
Non-motorized trail recreation.....	1—12
Motorized trail recreation	1—14
Other forms of recreation.....	1—18
Summary of the Northwoods Region ROA	1—19
2. Upper Lake Michigan Coastal Region.....	2—2
Background	2—2
Existing recreation supply in the Upper Lake Michigan Coastal Region	2—3
Public lands for outdoor recreation.....	2—3
Private lands open to the public for outdoor recreation	2—4
Existing public recreation infrastructure.....	2—5
Public input on recreation needs in the Upper Lake Michigan Coastal Region	2—6
Input gathered as part of the ROA	2—6
Input gathered as part of the Wisconsin SCORP	2—9
Future recreation needs in the Upper Lake Michigan Coastal Region	2—9
Opportunities to meet future recreation needs in the Upper Lake Michigan Coastal Region on department-managed lands.....	2—10
Non-motorized trail recreation.....	2—11
Other forms of recreation.....	2—12
Summary of the Upper Lake Michigan Coastal Region ROA	2—14
3. Great Northwest Region	3—2
Background	3—2
Existing recreation supply in the Great Northwest Region	3—3
Private lands open to the public for outdoor recreation	3—4
Existing public recreation infrastructure.....	3—5
Public input on recreation needs in the Great Northwest Region.....	3—7
Input gathered as part of the ROA	3—7
Input gathered as part of the Wisconsin SCORP.	3—10
Future recreation needs in the Great Northwest Region	3—11
Opportunities to meet future recreation needs in the Great Northwest Region on department-managed lands	3—12

Non-motorized trail recreation.....	3—12
Motorized trail recreation	3—14
Water related recreation.....	3—16
Other forms of recreation.....	3—17
Summary of the Great Northwest Region ROA.....	3—19
4. Lake Winnebago Waters Region	4—2
Background	4—2
Existing recreation supply in the Lake Winnebago Waters Region	4—3
Public lands for outdoor recreation.....	4—3
Private lands open to the public for outdoor recreation	4—4
Existing public recreation infrastructure.....	4—4
Public input on recreation needs in the Lake Winnebago Waters Region	4—5
Input gathered as part of the ROA	4—5
Input gathered as part of the Wisconsin SCORP.	4—9
Future recreation needs in the Lake Winnebago Waters Region	4—10
Opportunities to meet future recreation needs in the Lake Winnebago Waters Region on department-managed lands.....	4—11
Non-motorized trail recreation.....	4—11
Water related recreation.....	4—12
Other forms of recreation.....	4—14
Summary of the Lake Winnebago Waters Region ROA.....	4—16
5. Mississippi River Corridor Region	5—2
Background	5—2
Existing recreation supply in the Mississippi River Corridor Region	5—3
Private lands open to the public for outdoor recreation	5—4
Existing public recreation infrastructure.....	5—5
Public input on recreation needs in the Mississippi River Corridor Region	5—6
Input gathered as part of the ROA	5—6
Input gathered as part of the Wisconsin SCORP.	5—9
Future recreation needs in the Mississippi River Corridor Region	5—9
Opportunities to meet future recreation needs in the Mississippi River Corridor Region on department-managed lands.....	5—10
Non-motorized trail recreation.....	5—11
Water related recreation.....	5—13
Other forms of recreation.....	5—15
Summary of the Mississippi River Corridor Region ROA	5—17

6.	Western Sands Region	6—2
	Background	6—2
	Existing recreation supply in the Western Sands Region.....	6—3
	Public lands for outdoor recreation.....	6—3
	Private lands open to the public for outdoor recreation	6—4
	Existing public recreation infrastructure.....	6—5
	Public input on recreation needs in the Western Sands Region	6—6
	Input gathered as part of the ROA.....	6—6
	Input gathered as part of the Wisconsin SCORP	6—9
	Future recreation needs in the Western Sands Region	6—9
	Opportunities to meet future recreation needs in the Western Sands Region on department-managed lands	6—10
	Non-motorized trail recreation.....	6—11
	Water related recreation.....	6—13
	Other forms of recreation.....	6—14
	Summary of the Western Sands Region ROA	6—16
7.	Lower Lake Michigan Coastal Region	7—2
	Existing recreation supply in the Lower Lake Michigan Coastal Region	7—3
	Private lands open to the public for outdoor recreation	7—4
	Existing public recreation infrastructure	7—4
	Public input on recreation needs in the Lower Lake Michigan Coastal Region.....	7—6
	Input gathered as part of the ROA.....	7—6
	Input gathered as part of the Wisconsin SCORP	7—8
	Future recreation needs in the Lower Lake Michigan Coastal Region	7—9
	Opportunities to meet future recreation needs in the Lower Lake Michigan Coastal Region on department-managed lands.....	7—9
	Non-motorized trail recreation.....	7—10
	Water related recreation.....	7—12
	Other forms of recreation.....	7—13
	Summary of the Lower Lake Michigan Coastal Region ROA.....	7—14
8.	Southern Gateways Region.....	8—2
	Existing recreation supply in the Southern Gateways Region	8—3
	Private lands open to the public for outdoor recreation	8—4
	Existing public recreation infrastructure	8—4
	Public input on recreation needs in the Southern Gateways Region	8—6
	Input gathered as part of the ROA.....	8—6

Input gathered as part of the Wisconsin SCORP	8—9
Future recreation needs in the Southern Gateways Region	8—9
Opportunities to meet future recreation needs in the Southern Gateways Region on department-managed lands	8—10
Motorized trail recreation	8—11
Non-motorized trail recreation.....	8—12
Water related recreation.....	8—13
Other forms of recreation.....	8—14
Summary of the Southern Gateways Region ROA	8—15
Appendix 1: Descriptions of recreation activities.....	A1-1
Appendix 2: Recreation compatibility.....	A2-1
Appendix 3: Land in Wisconsin open to the public for outdoor recreation.....	A3-1
Appendix 4: Statewide Stakeholder Team members	A4-1
Appendix 5: Descriptions of Department of Natural Resources properties by Region	A5-1
Northwoods.....	A5-1
Upper Lake Michigan Coastal	A5-6
Great Northwest	A5-9
Lake Winnebago Waters	A5-12
Mississippi River Corridor.....	A5-14
Western Sands.....	A5-17
Lower Lake Michigan Coastal	A5-21
Southern Gateways	A5-24
